PUBLISHING HOUSE

36Linhas is a virtual publisher, created in 2014, with all its products being exclusively digital.

Its catalog consists of: almanacs, novels, guides, technical books, children's books, courses, activities, comics, general works and self-help.

The name 36 Linhas is a reference to the first printed book (the Gutenberg Bible) which had 36 lines per page.

LICENSING

We license our characters and illustrations through Zazzle and Colab55 for products like: cases for smartphones, games, T-shirts, cards, slippers, mugs among others. If you wish to license our characters and illustrations to other categories such as notebooks, toys and children's articles etc, please contact us by e-mail: 36linhas@36linhas.com

Below are some products licensed in more than 200 abroad and more than 100 in Brazil.

PROFESSOR ELIBIUS

Character that ended up being successful to the point of becoming a spin-off of Little Adventurers where it was supporting character.

It was then created a didactic collection presented by the character Professor Elibius, who shows children colorful and fun subjects such as: numbers, letters, hours, solar system the table and more 15 subjects. An educational collection, very useful to present to the small themes important to your learning, in a playful way.

LITTLE GUARDIANS

It's a group of little alien nature guardians who leave their planet in pursuit of the world's biggest polluter, the wicked Zirt Zlunder. He flees and comes to rest on the earth and they persecute him, because it will pollute our planet.

The adventures of the small, three-eared aliens SWYY, GROY, AYRY, WATY, FLOY and FAUY address action-packed, green and sustainability issues.

DROPBOY

Dropboy is a series of books where the title character transforms into liquid, gets involved in many adventures.

He defends his friends Andy, Takao, Anny and Roa from the fumbling villain Doc Folly, his henchman Roig and the blue bats Frit and Frat.

There are many action-packed adventures with a unique message: friendship above all else.

LITTLE ADVENTURERS

The book collection tackles the adventures of a very imaginative group, the Little Adventurers. Daniel, Paul, Laura, Saul and Nino are friends who engage in real adventures sometimes and sometimes imagined by the little group.

Lots of action and healthy fun for kids.

BUCKLE BLOBS

These intergalactic characters are part of a collection that is based on the games of the same name for Palm created in the last decade by Ricardo Garay.

They are characters that although they have many forms, come from the same planet directly to Earth. They present planets, moons, comets, etc., discover the dinosaurs on Earth and finally show our planet today with a critical approach to sustainability.

FLIP FLAP

FLIP and FLAP are curious soap bubbles. They love to walk and make new friends. In a collection of four e-books are presented adventures with animated stories, simple text and very colorful images. The adventures of FLIP and FLAP are the discoveries, the city, the farm of the sea and extremely playful when meeting angels.

TROMK

Virtual characters created for games developed in the last decade.

Virtual battles are fought between the well represented by TROMK the virtual green tank and the evil represented by the Mehdors. A work that offers an intelligent proposal through the vision of a boy for the end of the wars in the world.

In this collection the approach of themes and narrative of adventure and action are made by the eyes of a boy, who offers an optimistic, egalitarian and anti warlike vision.

SPACE BATTLE

A dispute arises for natural resources on a planet. A Medarian people do not want to share anything, since the Green people want all peoples to share everything among all.

All imagined by a very creative kid.

In this collection the approach of themes and narrative of adventure and action are made by the eyes of a boy, who offers an optimistic, egalitarian and anti warlike vision.
